

As We Believe

What We Believe:

We at Servants Of Christ are changing lives on mind at a time, by being a voice to the voiceless and speaking the unspoken.

How do we do this?

We do this by ensuring that we are about: culture, kingdom, lifestyle, family, and obedience to the Most High Yah . We live by the seven F's: Faith, Family, Food, Finance (Fortune), Foundation, Fasting, Facts.

We believe in ensuring that we create a nation as the Bible declares. Psalm 122 tells us that we should be a nation that comes together and ensures that we come out of contempt for ourselves, which is mentioned in psalm 123.

We take time out to teach how to live, then live with Yah's Love every day, with one another, in a manner that allows people to see that this is not virtual it is reality.

We are not Christian, however, we do believe the Bible, not only the 66 books. We also believe in the Apocrypha.

Our ways are not His, nor are our thoughts His thoughts; We want to make sure that we keep the commandments, keep his word sacred and continue to create an environment that allows everybody to do the same.

This means that we must change our mindset concerning marriage, agriculture, economy and even fellowship.

We would love to have you join us on this journey as we stay committed to this community mindset
